

AAC 13

PRODUCT FACT SHEET

AAC 13

DESIGN BY HEE WELLING, 2010

With its gently curved open shell and symmetrical solid base, the About A Chair AAC 13 design offers a refreshingly pared back expression that is consistent with the rest of the collection. The lack of armrests ensures a clean, clutter-free silhouette, whilst the shaped, upholstered seat and back provide optimal comfort. The wooden frame with elegant, rounded legs brings character and stability and is available in different finishes, with the shell offered in multiple upholstery options. The extensive range of choices offers the opportunity to create almost infinite design combinations for use in a wide range of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman, and a sofa.
- Variety of textiles, colours and base finishes.
- Available with plastic shell, with front upholstery (AAC 12) and full upholstery (AAC 13) in a large selection of fabrics and leathers.
- Other base options are: 4-leg steel base, swivel base, wheel base, sled base, and moulded plywood legs.
- Shell is also available with armrest.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 51 CM

DEPTH 50,5 CM

HEIGHT 78,5 CM

SEAT HEIGHT 46 CM

SEAT DEPTH 40 CM

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
