

AAC 50

PRODUCT FACT SHEET

AAC 50

DESIGN BY HEE WELLING & HAY, 2010

Combining optimal functionality with modern aesthetics, the About a Chair AAC 50 features the same distinctive uncluttered shell on a cast aluminium five-legged castor base, and is equipped with a gas lift that can adjust the seat height. The base is available in different finishes, with the post-consumer recycled plastic shell offered in a wide palette of contemporary colours and multiple front upholstery options. A versatile and multi-functional office chair in a multitude of design combinations, the AAC50 is suitable for a wide range of corporate settings and home office environments.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman, and a sofa.
- Variety of shell colours and base finishes.
- Available with plastic shell, with front upholstery (AAC 50) and full upholstery (AAC 51) in a large selection of fabrics and leathers.
- The 5-legged base is equipped with a semi-automatic gas lift.
- All shells are made from 100% recycled post-consumer plastic.
- A majority of the unupholstered models are certified with the EU Ecolabel across the whole chair and bar stool series.
- Adjustable seat height varies from 42 to 56 cm.
- Other base options are: 4-leg steel base, swivel base, sled base, solid wood legs, and moulded plywood legs.
- Shell is also available with armrest.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 69 CM

DEPTH 69 CM

HEIGHT 74,5 - 87,5 CM

SEAT HEIGHT 42,4 - 55,4 CM

SEAT DEPTH 40 CM

MELANGE CREAM 2.0				

The shells consist of 100% recycled post-consumer plastic from household machines. The use of recycled material means that colours vary slightly from batch to batch. Marks and irregularities on the surface are a natural part of the material and may occur.

FABRIC & LEATHER UPHOLSTERY

Please see our Fabric Overview for approved standard fabrics.

Please note that front upholstery is not available with walnut base.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
