

AAC 25

PRODUCT FACT SHEET

AAC 25

DESIGN BY HEE WELLING, 2012

The softness and warmth of the upholstered shell modifies the executive weight of the About A Chair AAC 25, bringing a welcoming expression to the otherwise functional and technical genre of office chairs. Retaining the same curved shell with unified silhouette that characterises the entire collection, this design features an elegant and functional swivel four-star castor base. The base comes in polished or powder-coated aluminium, with the shell offered in multiple regular and quilted upholstery options. The multitude of variants and design combinations give this chair great versatility in a wide range of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Full upholstery in a large selection of fabrics and leathers.
- Variability of textiles, colours and base finishes.
- Available with fixed seat cushion, front upholstery (AAC 24) and full upholstery (AAC 25) in a large selection of fabrics and leathers.
- Shell is also available without armrest.
- Other base options are: Sled base, 4-leg steel base, swivel base, solid wood legs and moulded plywood legs.
- Another upholstery option is: a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 59 CM
DEPTH 52 CM
HEIGHT 79 CM
SEAT HEIGHT 46 CM
SEAT DEPTH 40 CM

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
