CHAIR TROLLEY

CHAIR TROLLEY DESIGN BY HAY

Designed to facilitate transportation and provide a functional storage solution for stacking multiple chairs, the Chair Trolley features a compact frame with wheels, which makes it easy to move around. The trolley can be used to stack a variety of different HAY chair designs, both with and without upholstery, with varying stacking heights depending on the selected model.

Chair Trolley for AAC 16, 17, 18 & 19 | Stacked AAC 18

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
