BALCONY

BALCONY TABLE AND BALCONY LOW TABLE

DESIGN BY RONAN & ERWAN BOUROULLEC

HAY

- PARTS -

A Legs x2

B Screws x8

C Allen key x1

D Tabletop x1

Illustrated in this manual is the Balcony Table in standard height.
The same assembly procedure applies to Balcony Low Table as well.

1.

Insert legs **A** into the tabletop **D**.

2.

Secure the legs with screws **B** and Allen key **C**.
Tighten all screws lightly before tightening them all completely.

3.

Done!

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
