

SLIT TABLE WOOD

DESIGN BY HAY

HAY

SLIT TABLE WOOD

HAY's Slit Table is a geometric wooden table inspired by paper origami techniques. The slim frame appears folded beneath the tabletop, creating a simple yet sculptural form that is reminiscent of traditional Japanese paper art. The Slit Table is available in different shapes and sizes, and is offered in various wood types and finishes. Compact and versatile, it can be used on its own or arranged in clusters in diverse private or public settings.
