DESIGN BY LEIF JØRGENSEN

HAY

- PARTS -

A Frame profile x2

B Frame profile x2

C Support bar x2
(Only with 140x200,
160x200 and 180x200)

F Middle leg x1

G Screw*

H Slats*

D Screw x15

E Feet x4

Allen key x1

*Sold separately in some markets

1.

Place the corner of profile **A** on top of the corner of profile **B**.

2.

Insert the leg of profile **A** into the hole in the leg of profile **B**.

3.

Push down on profile **A** until the two are flush with each other.

4.

Repeat steps 2 and 3 for all four corners.

5.

Screw in the screws **D** with the supplied Allen key.
Do not fully tighten each screw until all parts are assembled in the right position.

6.

Attach feet **E** and make sure that the profiles reach all the way down to the bottom.

7.

Done!

8.

For the 140 x 200, 160 x 200 and the 180 x 200 version of the Connect Bed, 2 x support bars **C** are included. Start with connecting them using the screw **D**.

9.

Depending on your mattress, you have two options for placing the 2 x support bars **C**.

For a single box mattress, place the 2 x support bars **C** pointing downwards.

For a two-mattress set-up, place the 2 x support bars **C** pointing upwards.

10.

Align the support bars **C** with the holes in the profiles **B**.

Line up the middle leg **F** underneath.

11.

Secure them with the screws **D**, using the supplied Allen key.

12.

Mount the slats* **H** using the screws **G**. Fasten with the Allen key.
Mount all the screws loosely before tightening them completely.

*Sold separately in some markets

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
