PASTIS TABLE

DESIGN BY JULIEN RENAULT

HAY

- PARTS -

A Tabletop x1

B Column x1

C Base x1

D Plate x1

E Bracket x1

F Screw x5

G Screw x4

H Screw x4

I Allen key x1

Protect the tabletop from scratches and other damage while assembling.

1.

Connect the plate **D** to the column **B** using screws **G**. Mount all screws and tighten them lightly with the Allen key **I**, before tightening them completely.

2.

Connect the column and plate to the tabletop **A** using screws **F**. Mount all screws and tighten them lightly with the Allen key **I**, before tightening them completely.

3.

Line up the base cross **C** and the bracket **E** and connect them to the column using screws **H**. Mount all screws and tighten them lightly with the Allen key **I**, before tightening them completely.

4.

Turn the table over.

If the floor is uneven, adjust the feet to ensure the table is stable.

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
