- Multiple combinations to create circular or wave-formed configurations
- Designed in colour and form to integrate effortlessly into a natural landscape
- The Palissade collection features a weatherproof outdoor powder coating
- Suitable for a wide variety of private and public environments

PALISSADE PARK BENCH

DESIGN BY RONAN & ERWAN BOUROULLEC

Designed by French duo Ronan and Erwan Bouroullec, the Palissade Park Bench is a freestanding bench designed for outdoor use. The curved bench comprises two seats linked together, which rest upon six legs and can be combined in multiples to create circular or wave-formed configurations. The elegant design is united by the same symmetrical geometry and graphic idiom as the rest of the Palissade series, engineered to reproduce the same visual simplicity that allows it to integrate effortlessly into a natural landscape or urban setting. Specifically designed for outdoor use, the powder-coated steel has a protective outdoor primer for optimal durability and resilience, which makes it last for a longer period of time. Available in selected colours, the Park Bench is ideal for using in gardens, parks and public spaces.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.

CONFIGURATIONS

Combining multiple benches together gives users the opportunity to extend the available seating space and form unique configurations to suit specific functional and aesthetic requirements.

The Palissade Park Bench can be used both as a freestanding bench and linked together to get multiple combinations.

Palissade Park benches can be customised in many different lay-outs such as circles or waves.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.

PALISSADE PARK BENCH CUSHION

Adding extra comfort and functionality to the Palissade collection, the Palissade Cushion is specially formed to fit the Palissade Park Bench and Dining Bench perfectly. The thin, slightly padded cushion features an anti-slip bottom to keep it securely in place. Crafted in Teflon-coated fabric for a water-resistant finish, the cushions are available in three colours and can be used all year round.

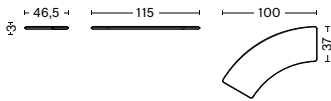

MATERIALS

OUTDOOR FABRIC
Solution dyed Olefin with water repellent finish

FOAM
30 mm Polyurethane foam

BACKING
Black anti-slip 100% recycled PET with biobased natural rubber coating

PALISSADE FIXATION BRACKET | SEATING

The Palissade Fixation Bracket is designed to secure the Palissade Chairs, Lounge Chairs and Benches to the ground, anchoring the furniture in windy weather and serving as a theft deterrent. The brackets can be used on any surface and are easy to attach to the Palissade product. They come in a set of four and are available in one colour – anthracite.

MATERIALS

FIXATION BRACKET
Powder coated stainless steel with EPDM rubber washer
