Recycling & Disassembly

Betty^{TK12 & TK15}

Recycling

The Betty counter and bar chairs have been made to last and we hope it will serve you for many years. The chair is made from solid wood and wood veneer, and can be easily separated from its base. All metal and wooden parts can be separated and delivered to a suitable recycling station.

Spare parts

To purchase spare parts for your Betty chair, please write to our sales support team at info@andtradition.com with your query.

5 year warranty

&Tradition provides a 5-year warranty with every Betty chair, which covers faults present at the time of purchase, or those which have occurred as a result of a manufacturing defect. The warranty is valid from the date stated on the original invoice.

Disassembly

Please follow these 3 steps to disassemble the Betty TK12 and TK15 chair.

1. To disassemble the Betty chair first remove the webbing from the seat.

2. Unscrew the bolts located inside the frame of the seat. This can be done with a socket wrench.

3. Remove the gliders.
