# PALISSADE COLLECTION DESIGN BY RONAN & ERWAN BOUROULLEC

Designed by French brothers Ronan and Erwan Bouroullec, Palissade is a collection of outdoor furniture for HAY in powder coated or hot galvanised steel. United by a common principle of symmetrical geometry, the Palissade collection is engineered to reproduce the same visual simplicity and core strength throughout. Designed in colour and form to integrate effortlessly into a natural landscape or urban setting, Palissade is intended to be used over a longer period of time and become more beautiful over the years. The collection is suited to a wide variety of environments, from cafés and restaurants to gardens, terraces and balconies.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.

Take care not to scratch the chairs against each other when stacking them.  
Do not move or drag the chairs around when stacked as the weight will damage the legs.

Please make sure to wipe all hot galvanised surfaces before use, as the zinc surface oxidises during transportation and can become humid. This can stain your clothing if it comes into contact with it.
