- Multifunctional storage cabinet with discreet wheels for effortless mobility
- Featuring a sleek, faceted design with revolving integrated door, available in different models and colour options
- Ideal for organising everyday items, functioning equally well as a bedside cabinet, side table, or home office organiser
- Made from a minimum of 30% post-consumer recycled ABS
- Suitable for a wide variety of private and public environments

# FACET CABINET DESIGN BY STEFAN SCHOLTEN

Designed for HAY by Dutch designer Stefan Scholten, the Facet Cabinet is a multifunctional storage solution that's easy to move around. With its revolving integrated door and discreet wheels, it adapts effortlessly to a variety of settings. Made from at least 30% post-consumer recycled ABS, Facet comes in a range of models, colours, and heights. Ideal for organising and tidying everyday items, its versatile design works equally well as a bedside cabinet, side table, or home office organiser.

Dutch designer Stefan Scholten is known for his reductionist style and unique use of colour, and uses the 'atelier' method of working, combining functionality with an expressive, original design on diverse projects worldwide.

Stefan Scholten

Facet Cabinet family

Facet Cabinet 20 | Spinach green

Facet Cabinet 20 | Soft mint

## COLOUR & FINISH

Please note that the colours are indicative

Spinach green  
High-gloss

Misty grey  
High-gloss

Anthracite  
High-gloss

Misty blue  
High-gloss

Eggshell  
High-gloss

Burgundy red  
High-gloss

Soft mint  
High-gloss

Facet Cabinet consists of recycled post-consumer ABS. The use of recycled material means that colours may vary slightly from batch to batch and between parts. Marks and irregularities on the surface may occur and are a natural part of the recycled material. Exposure to the sun/UV will fade the colour over time.

## MATERIALS

**CABINET**  
Injection moulded ABS

**MATERIAL COMPOSITION | ANTHRACITE**  
Min. 99% post consumer recycled ABS and 1% virgin ABS

**MATERIAL COMPOSITION | MISTY BLUE, MISTY GREY, SPINACH GREEN, EGGSHELL, BURGUNDY RED & SOFT MINT**

Applies to cabinet without castors or feet

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC™-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
