

SOFT EDGE P10 SLED

DESIGN BY ISKOS-BERLIN

Iskos-Berlin's Soft Edge series features an organically shaped seat and back, blending strong curves with extreme lightness to create a minimalistic design that optimises human-centric comfort. With its plastic (PP) seat and back in a wide range of colours and steel-sled base, Soft Edge P10 Sled offers both uncluttered aesthetics, stability, and functionality. Its strength, stackability, and ability to link multiple chairs together make it ideal for using in private, public, and contract environments – from homes to corporate spaces and cafés. Also available with upholstered seat.

PRODUCT DETAILS

- / Part of a family of dining chairs, bar stools, lounge chairs and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
